

Gifts of Stock/Securities can be used instead of cash to make a gift. Giving appreciated stock is a “win-win” for the donor and for Saint Elizabeth Community. If you’ve owned the stock for a year, you can make a gift, deduct its full market value, and not pay any tax on the long-term capital gains.

If a gift of stock is of interest to you, please contact the Philanthropy Department and tell us the name of the stock, the number of shares, the name and telephone number of the brokerage firm/bank from which the stock will be sent, and the date on which the stock will be transferred. We will then notify our bank of your intention, so the transfer is seamless.
