

## Private Apartments

Individual Residences have large five foot windows that provide plenty of light. Each apartment has controllable heat and air conditioning and private bathrooms with walk in showers. Safety at Saint Elizabeth Court is a priority.

- Bathrooms have showers with built in seats and grab bars
- Two safety pull cords are strategically located in case of emergency
- State-of-the-art fire and smoke detection system

## Sample Room Layout

### Saint Elizabeth Court

Housed in a beautifully restored, turn-of-the-century building, Saint Elizabeth Court opened in Providence in 2003 in the completely remodeled building that was formerly Saint Elizabeth Home. With 69 apartments that vary in size, resident's apartments are located on three floors that feature an inviting sun porch on every level.

### Each apartment has:

- A modern kitchenette with microwave and refrigerator
- A private bathroom
- Cable television
- Heating /air conditioning with individual temperature control
