Pet Therapy

March 31st

Our New Team Members

We are excited to welcome our new activity assistant's, Amy and Jackie, and our Program Director, Kim. We are waiting on other team members who will be starting in March!

The Home is in the process of renovating the Coffee Shop / Gift shop and The Cove. We are thankful for all the donations to make this possible. We look forward to having families rejoin us in activity room soon.

Thank you all for your patience and kindness during these times. See you around 😊
