Transportation services are available*

PROGRAM GOAL

TO ENHANCE THE OVERALL QUALITY OF LIFE FOR
PEOPLE AFFECTED BY EARLY MEMORY LOSS TO
MAINTAIN THEIR INDEPENDENCE IN THE COMMUNITY.

PROGRAM STRATEGY

- *Focus on developing skills to help individuals remain independent for as long as possible.*
- *Provides a social and supportive system among participants as they learn to cope with memory changes and the aging process.*
- *Provides education, resources & support from nursing staff, case managers, activity professionals, & rehabilitation staff, including cognitive stimulation therapy.*
- *Utilize specially trained staff in caregiver support, as well as dementia specific programming.*
- *Memory Care Center team members volunteer as trained support group facilitators for the [Alzheimer's Association](#).*

Saint Elizabeth Community offers a full spectrum of care and services for older adults in Rhode Island, ensuring they receive the right care in the right place at the right time. As a non-profit organization, we focus on our residents and the people we serve, not shareholders. The quality of our care is unequalled, thanks in part to our superior staffing ratios. Our members are:
